

REBECCA BRANDT (*Vice President to Program*) - Becky graduated from Bowling Green State University with a Bachelor of Science Degree in Education. She came to Flat Rock in April 1983 in a Direct Support position, while subbing in school programs in the area during the day. Within her first year she decided that Flat Rock would be her “classroom.” During her years at Flat Rock, Becky served as Direct Support Staff, House Supervisor, Residential Director and Program Director. Currently, she serves as Vice President for Program and oversees the programs and services provided, while working to ensure the highest quality of care. Becky continues to affirm that the gifts received from the individuals served far outweigh any gifts she can give to them.
