

JEANISE HOFFEL (*QIDP, Director of Therapeutic Services*) - Jeanise worked part-time for three years as a Resident Counselor at Filling Home of Mercy in Napoleon, Ohio while attending the Defiance College. She graduated with a Bachelor of Arts degree in Therapeutic Recreation in May of 1987 and immediately took a position at Flat Rock Care Center as the Activities Director. Within this position, she coordinated and supervised the activities program as well as coached Special Olympics for 13 years. Since 2000, Jeanise has served as the QIDP, Director of Therapeutic Services. She oversees the Therapy Department, implements staff training and creates and facilitates Individual Program Plans for the individuals that reside at the Care Center. She enjoys watching the programs transform their lives as they grow to become as independent as they can be.
