

TAMI KIRKHAM (*Director of Human Resources*) - Tami was hired in 1995 as the Assistant to the V.P. for Flat Rock Community Service Program. In 2000, she transitioned to Administrative Assistant to the CEO, the VP for Development and the Director for Flat Rock Community Services. Due to a move from this area, she left Flat Rock for a brief time in June of 2000; however, she was rehired in July of 2001 to work in the Finance and Human Resources Departments. Tami became the Human Resources Associate within a year. In 2005, she assumed the duties of interim Human Resources Manager and was then promoted to the Director of Human Resources in 2008. She has worn a variety of hats over the past 18 years at Flat Rock and has been blessed to be part of a company who is making the world a better place, one day at a time. It is my hope that all employees of Flat Rock understand that each day that they come to work they are doing the work of a super hero. I have a humble appreciation to be part of such an amazing team.
